Hey Guys,

This year is the second year of the Overall Indian Affairs Award in Croatan Lodge. Chapters earn points towards this award by participating and placing in competitions for Pre-Ordeal, Brotherhood, Cross-Over, Team Drum, Team Dance, and Individual Dance. Each chapter is encouraged to participate in these competitions and can sign up until competitions Saturday morning of Fall Fellowship.

Handicraft will also be a host to various other activities Arrowman are welcome and encouraged to take part in Saturday morning. Any Arrowman new or old interested in getting involved with Indian Affairs is welcome to talk to myself or any other dancer this weekend. I am looking forward to a weekend of fun and fellowship.
