Conclave Review: Sign up for committees, everyone needs to work

Patch Concept: Approved 3 patches being a delegate, trader, and workday patches for Conclave, Patch committee will come up with ideas within two weeks.

Training (LIFT, Prism, NLS): We need people to go to LIFT, Prism is the Summit Circle's inauguration and we have 8 tickets and will be 180 dollars, NLS deadline is March 18th.

Committee Advisor's: need some more advisors to fill all of the positions.

Camp Boddie Ranger: Replacing fences, replacing seating and steps at campfire circle, need to start washing buildings, we have to go through a new accreditation program and we now have to grade buildings, campsites, roads, bathrooms and catalog everything. This has to be done for every council camp. We need people who live in the camps vicinity to come help grade the camps. If you want to help, go to the council website and pull up the facility maintenance/accreditation guide. If you want to take the BSA Chainsaw course or the equipment safety course email or call me and we will set up a date.

Staff Advisor: Go out and be polite to all the new members, invite them to hang out with you.

Lodge Advisor: We are going to keep evaluating our changes. We are going forward in a positive way. Thank you for coming out.
